" The convenience of the location is second to none, even when we rented the property it was snatched in no time"

As a buyer, what you need to know;

- You'll move in straight away because nothing needs doing.
- Both bedrooms are big, have built ins and the main is complete with ensuite.
- The floorplan is ideal on this one, you can entertain indoor and outdoor.
- If you love cooking, you'll love this, gas cooking, stainless steel appliances and plenty of storage.
- We think getting \$650 per week is very achievable, that makes for great investment.
