

G03/82 Bay Street Botany NSW

2 2 2

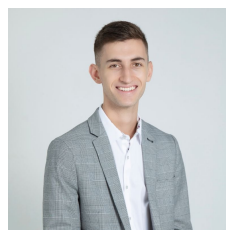

The Lifestyle:

On offer is this near new two bedroom + over sized study garden apartment, thoughtfully designed and beautifully appointed. Exceptional high end finishes throughout and features. A stone's throw from the CBD, Botany is arguably one of Sydney's most livable suburbs with a lifestyle to match. Small families and executive couples will delight in the choice of leisure activities within easy reach. Botany is a suburb undergoing revitalisation and delivering confident capital growth. This is park side living where the grass is greener.

Property Features Include:

- * Oversized study, potential third bedroom
- * Generous proportions throughout
- * Stunning spacious kitchen
